Diamond Jubilee Trophy 2026

Premier Award Certificate & Ashford P.S Shield Winner

Judge Steve Kingswell ARPS AFIAP

21st February 2026

Ditton Community Centre. Ditton, Aylesford. M20 6AH

Welcome from KCPA President Clive Tanner FRPS MPAGB FIF APAGB.

Hello and welcome to the KCPA Diamond Jubilee Competition, the KCPA Committee trusts you will enjoy viewing all the entries, and hearing the critiques of our judge, welcoming the news of those receiving certificates and applauding the trophy winners.

The event at Ditton is the final stage of the competition; clubs have viewed hundreds of PDIs to make their entry selection, done all the paperwork and sent in their 8 images. Tracy Hughes has gathered the entries, done the admin and delivered the PDIs to our judge.

I am sure our Judge, Steve Kingswell, has viewed each entry, probably several times, before reaching his decisions. Steve, will have reconsidered his decisions, maybe even changed his mind, before giving final judgements and scores to Tracy. Armed with the results this catalogue has been produced digitally for us today. So our thanks must be given to Tracy and her team.

We are fortunate that Steve Kingswell agreed to be our judge this year and we eagerly await his decisions. It cannot be easy to view all the entries, across many genres, compare and contrast portrait, nature and landscape then decide on those pictures which warrant Merit Certificates.

Finally he has to award trophies to the winner of our Premier Award and the runner-up. Not a task for faint hearts so many thanks Steve.

The two winning clubs will be invited to represent KCPA at the PAGB PDI Championship later this year and I am sure we all wish those two clubs every success.

Comments from our Judge, Steve Kingswell ARPS AFIAP

This competition was a pleasure to judge, there was such a great variety from all genres of photography. In addition the quality of work was very impressive and made coming do decisions on the best work challenging. But the winners not only provided excellence in the execution their photography but also mastery of their subject matter and or considerable creativity & personal expression.

The winning image exemplified photographic prowess, creativity and impact.

I very much look forward to talking through the best & winning images and seeing the outcome of the winning club.

Steve Kingswell ARPS AFIAP

Tracy Hughes CPAGB LRPS BPE2*

KCPA Immediate Past President. Competition & Exhibition Coordinator.

Firstly, I would like to take this opportunity to thank all the External Competition Secretaries that entered this competition on behalf of their clubs. This year we had 32 clubs enter.

What a great task I had, that included viewing all of the images that were entered, and liaising with people from various clubs. Each year I am amazed at the high standard of PDIs entered from our clubs and its members.

All of the images entered were sent to our Judge Steve Kingswell ARPS AFIAP. Steve had 256 images to score and was asked to choose a Maximum of 10 Merit Awards, along with The Premier Award Certificate & Ashford P.S Shield Winners (for Best image in the competition).

I would like to thank those that came along to help with the event on 21st February.

Thanks also go to all of the people who took time to visit Ditton Community Hall, and view the slide show of PDI images & hear the comments by our Judge.

The Diamond Jubilee 2026 goes to Faversham & District C.C and 2nd Place Winners are Seaford P.S both of whom if acceptable to them, will go on to represent the KCPA at the PAGB PDI

Championships later in the year. The KCPA wishes both clubs the best of luck in the competition, I am sure they will do their very best.
