Exciting New Season for Thanet's
Camera Club

After a sizzling summer of photographic opportunities, we're thrilled to announce the launch of our new season, packed with exciting events, workshops and opportunities for photography enthusiasts of all levels. This season, which runs for 37 weeks from 11th September, promises to be the most engaging and inspiring yet, with a variety of activities designed to enhance skills, foster creativity, and build a vibrant community of photographers.

Highlights of the New Season:

- **Guest Speakers:** Members will gain insights and inspiration from renowned photographers and industry professionals who will share their experiences, tips, and tricks. Seasoned photographers will speak on thought-provoking topics including the great outdoors, use of drones, landscape and street photography. Internationally renowned speakers will include Anthony Penrose on the legendary Lee Miller and Quintin Lake on a Photographic Journey around the coast of Britain. Other talks on a wide range of topics will be given by local photographers and our own members.
- **Skills Events:** Kent photographer David Jenner will be presenting an evening on Photoshop and there will be talks on studio and analogue photography.
- **Competitions:** A showcase for talent! We'll run four open Digital and Print plus two Set Subject competitions, all independently judged. We'll also do battle with other clubs from Kent.
- **Sharing:** Members will have plenty of opportunities to share their work and learn from each other during the season. Awards will be presented at the end of the season.

"We are excited to welcome both new and returning members to our club," said David Silk, Club Chairman. "Our goal is to create a supportive and dynamic environment where photographers can learn, grow, and connect with others who share their passion."

Membership for the new season is now open. Whether you are a beginner looking to learn the basics or an experienced photographer seeking to refine your skills, the Isle of Thanet Photographic Society has something for everyone. Join us and be part of a community that celebrates the art of photography.
