

**NEWS**  
**For Immediate Release**  
**Exciting Plans for 2026**

We enjoyed a bumper start to the 2025/26 season with our popular club competitions, excellent talks on topics ranging from *The Legendary Lee Miller* to *Drone Photography* and *60 Years of The Red Arrows*. Members have enthusiastically participated in our competitions, with a record number of entries and high standards in both the Advanced and Intermediate Groups.

2026 started with Members looking back over 2025 and sharing five favourite images and their thoughts on what made them special.

Our programme includes topics on *Daguerreotypes*, *Travel*, *Getting Creative*, *Studio Photography* and *Photography with a Purpose*. Print and projected image competitions continue until our AGM in June.

We're also discussing plans and ideas with our colleagues from other East Kent camera clubs based in Ashford, Canterbury, Deal and Herne Bay, building on the wealth of knowledge and love of photography that we all share.

Our excellent new website showcases the latest images, competition results and much more, as well as details of how to join. Visit: [www.isleofthanetphotographicsociety.com](http://www.isleofthanetphotographicsociety.com)

**Attached:** A very wintry landscape by Colin T. Miller, titled *Land of Fire and Ice*, taken when a few club Members braved the conditions on a visit to Iceland.

## **FURTHER INFORMATION**

### **About the Isle of Thanet Photographic Society (known as Thanet's Camera Club):**

The club is a community of photography enthusiasts dedicated to promoting the art and science of photography. Through a variety of events, workshops, and competitions, the club provides a platform for members to enhance their skills, share their work, and connect with like-minded individuals.

The half-year subscription for anyone joining after 31<sup>st</sup> January is £17.50 plus a weekly attendance fee of £4 per person. (*Note that there may be a waiting list for new members wishing to join*).

Meetings are held at 7.30 pm on Thursdays at the Portland Centre, Hopeville Avenue, St Peters, Broadstairs CT10 2TR.
